## Cracking Saves

<p>The goal of this game is to earn as much money as possible. You can do this mainly by cracking saves. To be able to crack a safe, you need dynamite. Make sure the safe you want to rob is in the action circle. If you have enough dynamite at that moment, the safe is blown up automatically. When you have cracked a safe, the opponents cannot crack it during the next 15 minutes.</p> 	Symbol	What	# Dynamite	Booty
